Subject: Fw: Bristol Bay Overflight

Hi Glenn and all - I just wanted to toss this out for discussion in the morning. Is the entire group going on the flight so that this adjustment could be made, if desired?

Talk to you soon,

Judy

Jan Bennett, from DOI called. If you can change your overflight date to the 28th she can book you with AK Air Transit. They did the last one that Fish/Wildlife contracted for over Bristol Bay. If it has to be the 27th she will look for other options.

I let her know that you were working on the IAA paperwork and until it is done/signed we cannot commit to anything.

If you want to call her -- her number is 907-271-3935

Thanks,
